Minimum Payment Due	\$2,689.17
Payment Due Date	3/16/2010

**Late Payment Warning:** If we do not receive your minimum payment by the date listed above, you may have to pay a \$39.00 late fee and your APRs may be increased to the Penalty APR of up to 30.24%.

**Minimum Payment Warning:** Even if you make no more charges using this card, if you make only the minimum payment each month, we estimate you will never pay off the balance shown on this statement because your payment will be less than the interest charged each month.

If you make more than the minimum payment each period, you will pay less in interest and pay off your balance sooner. For example, if you instead paid **\$786.00** per month you would pay off the balance shown on this statement in around **3 years**.
